

Wyndham RFC aims to be a fully inclusive and progressive club and recognises the need to implement, publish and regularly review policies and procedures covering various important areas both to comply with our legal duties and to ensure equitable treatment for all our members.

It is important that all members are aware of these documents, all of which are posted on this page, and you are urged to return here from time to time to see if any new policies or updates have been posted.

If there is something you disagree with or think could be improved or should be covered, please do not hesitate to raise the matter with the Chairman or any other member of the Committee.
